

## **GROTTO FUNDRAISER FOR JOHN KERRY 2004**

Please join San Francisco filmmakers, artists, and authors, *including Ethan Watters, Po Bronson, Caroline Paul, and Mary Roach*, at The San Francisco Writer's Grotto ([www.sfgrotto.org](http://www.sfgrotto.org)) on June 19<sup>th</sup> to raise money for presidential candidate John Kerry.

Across San Francisco, people are saying they want to do something – *anything!* – to change this country's leadership. Walking local precincts won't make a decisive difference in this election; our power lies in our ability to fuel John Kerry's campaign in 18 battleground states. To take back America in November, we need to lay the groundwork now.

We hope you'll join us in this effort. This special event will feature guest speakers, including **United States Congresswoman Lynn Woolsey**, live music, and a special appearance from the Kerry campaign. Drinks and light hors d'oeuvres will be served.
